Authorization for this examiner's amendment was given in a telephone interview with Bret Field on 6/24/2004.

The application has been amended as follows:

- a. Cancel claims 34-43.
2. The following is an examiner's statement of reasons for allowance: Regarding independent claims 1, 14, and 27, Neither Oyen nor Couwenhoven et al. teach or fairly suggest dispensing droplets from a single dispenser of each group. Regarding independent claims 9, 21, Hickman does not teach or fairly suggest the step of responding when an error is identified since the device of Hickman automatically compensates for error by having the same portion of the substrate undergoing several passes of the head system.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
